McCoy D Handle Set PVC-U Sliding Doors

McCoy D Handle Set PVC-U Sliding Doors

Highlights:

- A complete solution for Sliding Doors, including D Handle Set Right Hand, Inside and Outside plus SD Espag plus SD Strikers and Locking Cylinder with Fixing Screws, 2 nos. Swing Double Grooved Rollers and set of 3 Keys.
- The Handle includes a Lever for operation of the Espag and space for Locking Cylinder.
- Coating Thickness of Handle is 90µm., so it has very good resistance to Corrosion.
- Spindle Centre to Lock Cylinder Centre distance is 92mm.
- The Overall Height of Handle is 65mm.
- The Overall Width of the handle is 73.5mm.
- The Overall Length of the Handle is 225mm.
- The Width of the Base plate of the Handle is 25mm.
- The maximum Depth of the Profile that can be admitted in the Handle is 60mm., thus it is suitable for most profiles.
- The Backset of the Espag is 15mm.
- The length of the Espag is 1800mm.
- The Passivation Coating thickness on Espag Leaves is upto 10µm., giving it a high resistance to Corrosion.
- The Cylinder is coated with yellow passivation, enabling a very good corrosion resistance.
- 24x7 Technical Support.
- Guaranteed for 10 Years.

Remark: The directives contained in this documentation are the result of our experiments and of our experience and have been submitted in good faith. Because of the diversity of the materials and substrates and the great number of possible applications which are out of our control, we cannot accept any responsibility for the results obtained. In every case it is recommended to carry out preliminary experiments.
